Statement on the REACH regulation

Dear Customer,

REACH is European Community Regulation on chemicals and their safe use (EC 1907/2006). It deals with the Registration, Evaluation, Authorization and Restriction of Chemical substances.

The aim of REACH is to improve the protection of human health and the environment through the better and earlier identification of the intrinsic properties of chemical substances.

Stalatube does not supply any products which contain substances listed in REACH Annex XIV and Candidate list SVHC. Our products comply with List of Restrictions Annex XVII.

Stalatube works with its supply chain to ensure continuous compliance with the REACH Regulation.

Signature

A handwritten signature in blue ink, which appears to read "Teppo Lassila", is written over a circular blue stamp. The stamp contains the text "STALATUBE OY" at the top, "STALA TUBE" in the center, and "Lahti - Finland" at the bottom.

Teppo Lassila
