Radioactivity Statement

Dear Customer,

Based on certificates Stalatube Oy has received from our steel suppliers, Stalatube Oy certifies that all manufactured stainless steel hollow sections are free of radioactivity.

Stalatube Oy relies on the certificates of our suppliers. Because of this we do not separately control radioactivity level.

Signature

A handwritten signature in blue ink, appearing to read "Teppo Lassila", is written over a circular blue stamp. The stamp contains the text "STALATUBE OY" at the top, "STALA TUBE" in the center, and "Lahti - Finland" at the bottom, with small stars on either side of the center text.
